President's Message

Summary of the Annual Meeting Report

Welcome to Bismarck-Mandan, N.D.! The warmth and hospitality of the area's people has certainly reached the hearts of the Women's International Bowling Congress delegates.

The WIBC annual Convention and Tournament was awarded to Bismarck-Mandan, N.D., in 1985 by an overwhelming vote of the delegates. Bismarck-Mandan met the criteria for WIBC site selection in areas such as commitments for 2,000 rooms during the peak convention period; several major airlines; a headquarters hotel facility with space for the Delegates' Party and meetings; and bowling facilities to host all WIBC Tournament events.

A changing world and lifestyle, however, have caused many problems for all of us, especially our delegates.

Airlines flying into Bismarck were reduced both in number of airlines and flights. WIBC leadership and Bismarck-Mandan convention leaders spent many hours working with the airlines to improve services into Bismarck. We did the best we could.

Delegates have also made some changes in making room reservations. More teams are asking for two or more rooms, which is a change from years past when all five team members would occupy one room. Many delegates are also not going through the housing bureau, which means we do not have a definitive count of the number of WIBC people in any given city.

Taking these concerns into account, WIBC took corrective action at its November Board of Directors meeting to ensure these problems would not occur in the future.

We thank each and every delegate who has accepted the difficult situation and made it work—like only bowlers can do.

During the 1988-1989 period, WIBC instituted a new national membership recruitment program. The program uses key volunteers, called area recruitment coordinators (ARCs), to head task forces to help increase bowling membership and participation.

ARCs motivate, educate and assist local associations in attracting new bowlers to sanctioned competition; restore pride, dedication and loyalty to WIBC, and state and local associations; and concentrate on reinstating "dropout" bowlers to active membership ranks.

Six ARCs are currently conducting six pilot programs with associations. The associations are: Milwaukee, Cleveland, Binghamton-Endicott-Johnson City, Oklahoma City, Indianapolis and St. Louis. We hope WIBC will be able to expand this program on a national scale in the 1989-1990 year.

Each of us is faced with new challenges every day. As your president, every day brings forth new challenges for me too. I thank Helen Baker for her assistance in meeting these challenges and the WIBC Board for its outstanding support. I am very proud to be working with this very talented group of women, and I thank them for their many hours of dedicated work. I also thank Flora Mitchell, WIBC executive secretary-treasurer; Nancy Tatum, assistant secretary-treasurer; Mary Boyer, my personal secretary; WIBC Board of Directors; WIBC staff members; WIBC members emeritus; and WIBC delegates.

As delegates, you hold the key to the future of WIBC. We warmly thank you for the volunteer hours you devote to our great sport of bowling—America's first great sport!

Gladys M. Banker

Executive Secretary-Treasurer's Message

Summary of the Annual Meeting Report

We thank and acknowledge the understanding of our membership relative to a number of difficult situations.

The most difficult situation was the need to face the monumental task of curtailing costs, and decisions as to where the cuts should be made were not easy to make.

The decision to discontinue the WIBC Playing Rules Book prompted more comments from members than any other curtailment.

Due to the unique size of the Playing Rules and Bylaws Books, and the large amount of paper needed, WIBC orders the paper five or six months in advance. The paper for the 1988-1989 season had already been ordered when the decision was made to forgo a Playing Rules Book for that season.

The quantity of Bylaws Books was increased to have a limited number available upon request. Even so, there was a savings of approximately $180,000 by not printing the Rules Book, and the balance of the paper was placed in inventory for use the following season.

In November 1988, WIBC again needed to decide whether to print the Playing Rules and Bylaws Books. Knowing a decision could not be made until our financial future was more certain, the Board of Directors authorized staff to look into printing options. Printing presses can most economically produce a booklet 5-3/8" by 7" instead of the current 4-3/8" x 5-3/4". The new size also allows a cost savings by using a more readily available paper size.

It is our hope to use the paper from last year to produce a 1989-1990 Playing Rules Book and to use paper of the new configuration for the 1989-1990 Bylaws Book. In following years, both books will be the larger size. Because of the extensive proposed rule changes and Bylaws Book size changes, all type will be reset this year.

The projected costs for printing, paper and typesetting of the 1989-1990 Playing Rules and Bylaws Books with the above criteria is approximately $236,000 or a savings of $53,000 over the projected costs for this season.

We are pleased to report 3,075 individuals are currently certified in the performance of lane dressing evaluation and/or certification inspections.

Unfortunately, many volunteer inspectors certified since 1983 are no longer active due to job responsibility, relocation, etc. In order to identify associations where a shortage of the certified inspectors exist, a survey of the top-200 local associations by membership size was initiated. The survey results will be used for future priority scheduling of workshops.

As of March 8, 1989, WIBC membership is 2,888,694, which represents a decrease of 5.18 percent over this same date last season. The league count shows a decrease of approximately 4.26 percent.

WIBC is always striving to provide the best possible services to its members, and periodically these services must be reevaluated to assure they are still viable, cost effective and serving their intended purpose.

Since more leagues are using secretarial services or personal computers to maintain league records, many associations have reported leagues no longer need some materials provided in WIBC supply kits. With the paper shortage and rising costs for materials, WIBC is concerned the supplies currently provided and the manner in which they are

distributed are no longer as effective as they once were.

Supply kits include two large schedule codes, 40 standing sheets and 7.5 league record sheets per team. When leagues use computers, they do not need standing or league record sheets. We asked local association secretaries to complete a survey and offer comments and suggestions to help us determine if there is a better method of distribution. We wish to extend our thanks to those secretaries who returned the survey information. The results will be used to evaluate distribution methods for future seasons.

To provide a better service to WIBC members and a more positive image of WIBC, *Woman Bowler* magazine has been redesigned with a new look and format.

Beginning August 1, 1989, *Woman Bowler* magazine will be published eight times a year. The size of the magazine will increase from a minimum of 48 pages to a minimum of 64 pages. In addition, by use of more color and better paper, the overall quality of the magazine will increase.

Subscription prices will increase to $6 for one year, and $11 for two years. The three-year subscription price will remain at $14. Current subscribers will have their subscriptions extended based upon the number of issues remaining in their subscriptions. Magazines will be produced January, February, March/April, May/June, July, August/September, October and November/December.

Although this has been a year of tough decisions and austerity, WIBC has continued to serve as a leader in the bowling industry. As a service organization, WIBC remains committed to the sport of bowling and serving each member of the organization to its fullest capacity.

I thank President Banker for her guidance and leadership during her first year in office; all members of the WIBC Board of Directors who work so diligently as volunteers; and WIBC staff who carry the ball for us on a daily basis. Like bowling, WIBC is at its best a team effort, and I am proud to be part of your team!

Olympic Advances

During the 1988-1989 period, the sport of bowling has made several advances toward the long-term goal of earning full-medal status in the Olympics.

Debbie McMullen of Denver, competing in the FIQ qualifying tournament.

1988 Olympic Bowling Exhibition

One of the most encouraging advances was bowling's debut as an exhibition sport in the XXIV Olympiad in Seoul, South Korea.

The Olympic Exhibition was held Sept. 18, 1988, at Royal Bowling Center in Seoul. The format consisted of 12 women and 12 men competing in 11, head-to-head, one-game matches. In addition to their actual pinfall, match-play winners earned 10 bonus points for each win. The top three scorers then competed in stepladder finals, in which the three medal positions for women and men were determined.

Top match-play scorers for the women were: Arianne Cerdena of the Philippines, 2354 total, 60 bonus; Annikki Maattola of Finland, 2315 total, 90 bonus; and Atsuko Asai of Japan, 2281 total, 90 bonus.

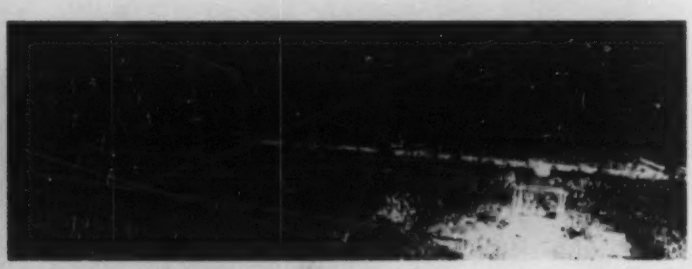
In the first stepladder match, Asai easily defeated Maattola (249-211). Asai then outscored Cerdena (197-180) in the second match. In the championship match, Cerdena recovered and soundly defeated Asai (249-211) to receive a gold medal. Asai earned a silver medal and Maattola received a bronze medal.

TEAM USA members Debbie McMullen of Denver and Mark Lewis of Wichita, Kan., represented the United States in the elite international competition.

McMullen began slowly and only averaged 173 in her first three matches. She then gained momentum in her next three matches and moved into fifth place. Persistent nine counts in her five remaining matches, however, dropped her to a seventh-place finish. Lewis finished sixth.

McMullen and Lewis earned the right to participate in bowling's Olympic Exhibition by their first-place finishes (American Zone) in a Federation Internationale des Quilleurs qualifying tournament held August 10-13, 1988, in Apopka, Fla. The tournament determined 11 of the 12 female and male athletes who would compete in the Olympic Exhibition. A South Korean female and male athlete were automatically included in the Olympic Exhibition and were not required to qualify through the FIQ tournament.

McMullen and Lewis were selected to represent the United States in the FIQ qualifying tournament by virtue of their first-place finishes in a *TEAM USA* Bowl-down. The Bowl-down was comprised of scores carried over from a West German competition, and scores earned in a special match-play competition held Aug. 7-10, 1988, in Melbourne, Fla.



U.S. Olympic Festival-'89 opening ceremonies at Owen Field, Oklahoma University Campus.

U.S. Olympic Festival

A second major advancement for bowling, was its inclusion in the U.S. Olympic Festival-'89 held July 21-30, 1989, in Oklahoma City.

Forty-eight American women and men, participated in the four-day bowling event at Bowling Green Recreation Center in Midwest City, Okla. The participants, which included the six female and six male 1989

TEAM USA members, earned their berths based on their finishes in the 1988 *TEAM USA* Bowling Tournament National Finals.

The women and men competed in five events (singles, doubles, trios, five-player team and individual match-play) for 78 total medals. Three women and two men turned in excellent medal-winning performances and earned four medals each. The five athletes were: Lynda Norry of Concord, Calif.; Linda Rose of Lyndhurst, N.J.; Maureen Webb of North Andover, Mass.; Mike Landrith of Phoenix, Ariz.; and Mike Poff of Sacramento, Calif.

Arianne Cerdena of the Philippines, bowling for a gold medal in the 1988 Summer Olympics in Seoul, South Korea.

United States Olympic Training Center

Also during the 1988-1989 period, the U.S. Olympic Committee invited 1989 *TEAM USA* members to a one-week training session at the U.S. Olympic Training Center in Colorado Springs, Colo. The team's February 1989 visit marked its third consecutive appearance.

WIBC and the American Bowling Congress hired noted bowling coach Fred Borden of Akron, Ohio, to help the *TEAM USA* coaches and USOTC staff in training and coaching the players.

The bowling training was comprised of intensive lectures, seminars and bowling practice sessions.

USOTC trainers and Borden discussed bowling's physical, mental and technical aspects. Borden also videotaped *TEAM USA* members bowling on the first and last days of the training session. He and *TEAM USA* coaches then promptly viewed and discussed the videotapes with the players. Together they isolated problems and identified the players' progress toward correcting them.

United States Tenpin Bowling Federation

Another important advancement during the 1988-1989 period was the June 26, 1989, formation of the United States Tenpin Bowling Federation (USTBF).

Delegates to both WIBC's and ABC's Annual Meetings preapproved the federation's formation. WIBC and ABC formed the USTBF to comply with the USOC's constitution and U.S. Congress' 1978 Amateur Sports Act.

The federation operates exclusively for the advancement of national and international amateur bowling competition, and also conducts national amateur championships under the *TEAM USA* Bowling Tournament format. The USTBF is also formally recognized as bowling's U.S. governing body.

USTBF Board of Trustees: (front row, l ro r) Max Skelton, Joyce Deitch, Brad Briggs, Elaine Hagin, (back row, l to r) Gladys Banker, Boyd Pexton, Nancy Tatum, Gerald Koenig, Therese Abair and Roger Tessman.

As bowling's U.S. governing body, the USTBF holds Group A membership status with the USOC. The status became effective February 1989. The USOC approved the Group A membership in 1987, however, the membership status did not take effect until the USOC House of Delegates meeting in February 1989. WIBC and ABC previously held Group C membership.

WIBC and ABC each appointed five members to the USTBF's Board of Trustees.

ABC/WIBC Equipment Specifications

The ABC/WIBC Equipment Specifications Committee and Department became fully operational August 1, 1988. According to committee members, the transition to the joint operation was conducted smoothly.

WIBC and ABC first began planning the joint department operation in 1983. Four years later, delegates to the 1987 WIBC and ABC Annual Meetings approved the committee's and department's complete joint operation.

The committee and department are dedicated to maintaining the current standards of the bowling environment. They review, test and evaluate all technological improvements to ensure the new technologies introduced will not diminish bowling's element of skill.

The department, which is located behind Bowling Headquarters in the ABC/WIBC Equipment Specifications Facility, uses special equipment and test procedures to conduct its studies.

Once completed, researchers will use this precision ball thrower to accurately reproduce various bowling hits. Note the new "WIBC/ABC Approved" seal on the pins.

Facility equipment includes: a precision ball thrower; random ball thrower; ball-pin device; ball-friction device; automated ramp; climate control system; and several computers, computer programs, bowling lanes and bowling pins.

With the new committee and department formation, WIBC reimbursed ABC more than $323,000 for equipment ABC staff had previously purchased and was currently using.

As a result of the reimbursement, WIBC became joint owners of: 1) equipment located in ABC/WIBC Equipment Specifications Facility; 2) field equipment purchased for ABC/WIBC staff; and 3) field equipment purchased in quantity for resale or loan to local associations. Field equipment may include tape pickup devices, tape readers and other lane-measuring devices.

The joint committee and department studied, discussed and reached three major conclusions during the 1988-1989 period: 1) Current bowling pins have a minimal affect on producing high scores. 2) The coefficient of friction (ball and lane surface interaction) affects ball-hooking capacity. The greater the hook, or angle of entry, the greater the striking capacity. Therefore, greater hooks provide greater potential for high scores. 3) Current data is inconclusive on the scoring affects of ball balance and innovative drilling techniques.

The joint committee and department continued to evaluate products submitted by manufacturers. During the 1988-1989 period, they approved: a new automatic scoring system, a synthetic lane system, a plexiglass kickback plate, a synthetic edge strip, two foul detector systems, and three synthetic flat channels. The committee and department also approved a specification for automatic scoring devices that prevents accidental score loss by human or mechanical error.

The committee and department are currently producing a revised Equipment Specifications Manual, which will be published for the 1989-1990 season. The revised manual includes many language and description revisions, as well as organizational and format changes. The new manual will be printed in a loose-leaf binder format, so the committee can make small revisions and additions without reprinting the entire publication.

During the 1989-1990 season, the committee and department intend to study various lane finishes and the relationships of bowling balls to these finishes.

1989 Tournament Competition

WIBC Championship Tournament

The WIBC Championship Tournament, the world's largest sporting event for women, was held April 6 to June 12, 1989, in Bismarck-Mandan, N.D.

The 68-day event, the eighth longest in WIBC history, offered 41,865 women exhilarating excitement and stiff bowling competition.

Participants competed in four events (singles, doubles, team and all events) in three average-based divisions (Open Division, Division I and Division II). The Tournament offered its sixth largest prize fund—$824,507.51—and distributed 15,034 prize checks.

The Championship Tournament's team event was hosted by Midway Lanes, Mandan, N.D.; and the doubles and singles events were hosted by Capitol Lanes, Bismarck, N.D.

Division I bowler Sandy Flint of Sioux Falls, S.D., earned the 1989 Tournament Champion title in the singles event when she bowled a 694 singles series. She earned $1,000 and a championship pendant for her effort. Her high-scoring series, on games of 242, 224 and 228, also helped her achieve the top spot in Division I all events.

Flint wrestled the 1989 Tournament Champion title from Division II bowler Beverly Tays of Crawfordsville, Ind. Tays rolled an impressive 689 series on games of 195, 205 and 289. Tays series earned her Division II's first-place ranking, $1,000 and pendant.

Flint, who held a 162 average, is only the second Division I bowler to surpass higher-average Open Division bowlers and become a WIBC Tournament Champion. The first Division I WIBC Tournament Champion was Mary Scruggs of Richmond, Va., who rolled a 698 singles event series in 1971.

Open Division doubles partners Diana Goodman of Chino Hill, Calif., and Rene Fleming of Oklahoma City, rolled a 1283 doubles series to grab the WIBC Championship Tournament title in the doubles event.

Goodman and Fleming, who carried a 388 doubles average, rolled their high-scoring series on games of 419, 380 and 484. The duo's 484 game also placed as the Tournament's highest doubles event game. For their title-winning effort, the pair won $1,400 and championship pendants.

Fleming, a member of the Ladies Pro Bowlers Tour (LPBT), led the pair with a 670 series on games of 252, 171 and 247. Goodman, who averages 182, rolled games of 167, 209 and 237 for a 613 total.

In the five-woman team event, Robby's of Glendale, Calif., rolled a 3000 three-game team series to capture the 1989 Tournament Champion team event title, $3,500 and championship pendants.

The Open Division team rolled games of 858, 1133 and 1009 for its 3000 tally — with its 1133 game ranking as the Tournament's highest team game.

Team captain and WIBC Hall of Fame member Betty Morris of Stockton, Calif., clinched Robby's slim five-pin lead over Manor Lanes of Tonawanda, N.Y., by earning a tenth-frame spare. She also led her team's effort with the high individual game, 255, and series, 680.

Morris' teammates included Linda Goodling of Willow Street, Pa.; Diana Davenport, Shreveport, La.; Patty Ellenburg, Chandler, Ariz.; and

Sandy Flint of Sioux Falls, S.D.

Diana Goodman of Chino Hill, Calif., and Rene Fleming of Oklahoma City.

Carol Gianotti of Perth, Australia, earned the prestigious Queens title before an ESPN audience of more than 3 million homes.

Donna Zuniga, Tulsa, Okla.

Open Division bowler Nancy Fehr of Cincinnati grabbed the prestigious Championship Tournament all events title, $1,000 and championship pendant by rolling three 600-plus series for a 1911 total.

Fehr, who sported a 211 average, rolled a 636 team event series, 602 doubles event series and 673 singles event series.

Her strong performance also placed her among the top-10 leaders in the team, doubles and singles events. Her 636 series helped boost her Open Division team, Algonquin Lanes, into third place (2990); her 602 series helped elevate her and her doubles partner, Lisa Wagner of Palmetto, Fla., into second place (1235); and her highest series, a 673, vaulted her into seventh place in the singles event.

WIBC Queens Tournament

Newcomer Carol Gianotti of Perth, Australia, won the 29th annual WIBC Queens Tournament May 13-17, 1989, at Capitol Lanes in Bismarck, N.D.

Gianotti earned the coveted title, $10,000 check, diamond pendant and tiara when she defeated two-time Queens Tournament champion Aleta Sill of Dearborn, Mich., in a semifinal match (213-202); and outscored amateur Sandra Jo Shiery of Bronson, Mich., in the championship match (207-177).

Presenting the prize check.

The tide turned for Gianotti, a first-year member of the LPBT, in the fifth frame when a wobbling, late-falling 4 pin gave her the first of three consecutive strikes. The Australian then scored a double in the tenth frame to clinch the Queens victory.

The last time the Queens title, pendant and tiara left the United States was 1982 when Katsuko Sugimoto of Tokyo, won her second consecutive Queens title.

Shiery, who like Gianotti was also bowling in her first Queens Tournament, claimed $5,500 for her second-place finish; and Sill won $4,000 for her third-place finish.

Sill, who began the stepladder finals from the fifth position, won two matches before she faced second-seated Gianotti. Sill defeated fourth-seated Betty Morris of Stockton, Calif., 207-191; and third-seated Cindy Kesterson of Council Bluffs, Iowa, 196-173.

Morris earned $2,500 for her fifth-place finish and Kesterson pocketed $3,000 for her fourth-place finish.

The WIBC Queens Tournament is the only bowling tournment contested under the double-elimination, match-play format, making it one of the most difficult titles to earn.

The stepladder finals were televised live on the Entertainment and Sports Programming Network (ESPN).

WIBC National Senior Championships

The eighth annual WIBC National Senior Championships was held May 6-7, 1989, in Wichita, Kan. The tournament, which ran in conjunction with the ABC National Senior Championships, was held on specially constructed lanes for the ABC Championship Tournament.

One hundred sixty-three female bowlers from 48 states and three Canadian provinces joined together for fun and competition in four age-based categories.

The seniors bowled six qualifying games. The top-four scorers in each age category then advanced to match-play competition, where they faced the other three finalists from their age-based division. In addition to their actual and handicap scores, match-play winners received 30 bonus points per win.

With the highest score of all four categories (1254), Betty June Thomas of Pahrump, Nev., was crowned the 1989 National Senior Championships winner and Division C (60-64 years) winner. Reta Waterman of Surrey, B.C., Canada, won Division A (70 years and up) with a 1180 score; Maudie Siler of Beaver Dam, Ky., won Division B (65-69 years) with a 1143 tally; and Vivian Breier of Fairfield, N.J., won Division D (55-59 years) with a 1219 finish.

Women's National Intercollegiate Championship

Lynda Norry, a sophomore at San Jose State, won the 28th annual Women's National Intercollegiate Championship April 10, 1989, at Capitol Lanes in Bismarck, N.D. Norry was also a member of the 1989 *TEAM USA*.

Norry, a 21-year-old right-hander, clinched the tournament title in the final match, when she defeated San Jose State teammate Maja Rode (225-181). The win boosted Norry's eight-game match-play score to 1855, which included her 210 bonus points.

For her tournament-winning effort, Norry received the prestigious Marion Ladewig trophy, which symbolizes excellence in collegiate bowling competition.

In other events, Norry and doubles partner Juliann Brodziski of The University of Wisconsin-LaCrosse worked together to win the doubles event title in record-setting form. The duo earned a 1273 six-game score, with Norry contributing a 650 series and Brodziski a 623 series. The previous record, 1193, was set in 1980 by Terry Yoshihara of Hillsborough Community College (Fla.) and Michele Sullivan of West Texas State.

Kim Johnson of Washington State University won the singles event title with a record-shattering 681 three-game series. Jan Speers of Linn-Benton Community College (Ore.) set the previous mark of 668 in 1983.

Lynda Norry with the Marion Ladewig trophy.

Sharon Todd of Morehead State University set the final tournament record with a 1254 tally in the six-game, match-play qualifying round. The previous record, 1226, was set by Jackie Sellers of Pennsylvania State University in 1988.

The tournament, held on WIBC Championship Tournament lanes, is considered the most prestigious individual collegiate event. The Association of College Unions-International (ACU-I) conducts the collegiate tournament, which is co-sponsored by WIBC and the Brunswick Corporation.

National Collegiate Bowling Championships

Morehead State University captured its first National Collegiate Bowling Championships women's title April 19-23, 1989, at the Gold Coast Hotel and Bowling Lanes in Las Vegas, Nev.

The five-woman team earned the lead position early with a 11,012 score after 12 qualifying games.

After 24 Baker system games, Pennsylvania State University grabbed a 50-pin lead over second-place Morehead State and a 175-pin lead over third-place West Texas State.

These top-three teams then advanced to the step-ladder finals, which were comprised of a two-game Baker match. In the first match, Morehead State defeated West Texas State, 344-334.

Morehead State then moved on to defeat Pennsylvania State, 414-392, in the championship finals.

The victorious Morehead State players were: Theresa Kaelin, Lori Jo Kizer, Lisa McGinnis, Kari Murph and Sharon Todd. Todd was also selected the tournament's Most Valuable Player.

In the men's competition, California State-Fullerton secured the men's NCBC title by defeating second-place Washington State University, 387-374, in the championship two-game Baker match. Washington State advanced to the championship match when it defeated third-place Wichita State University, 400-370.

Morehead State University players celebrate their victory in the National Collegiate Bowling Championships.

The committee also reported it granted amnesty Aug. 1, 1988, to 483 people who were suspended during the 1977-1978 season.

In closing, the committee thanked association secretaries and board members for providing accurate and complete records, and for observing the committee's procedural requirements.

National Bowling Hall of Fame and Museum

The committee reported the National Bowling Hall of Fame and Museum (NBHF/M) in St. Louis attracts more and more visitors each year.

During the 1987-1988 season, more than 33,500 people visited the museum and enjoyed its many exhibits. The committee believes the NBHF/M's increased emphasis on conducting special tours and event promotions will help draw more than 37,000 people to the facility next season.

Despite the attendance increase, the committee reported overall financial contributions for 1988 were only slightly more than its 1987 total. 1988's total was $128,615, or $2,702 more than 1987's total.

The NBHF/M's Friends Program did not meet its 1988 membership goal. Three hundred eighty-six individuals and 164 families subscribed to program in 1988. Both 1988 memberships provided subscribers with cloissoine pins; free NBHF/M admission cards; NBHF/M quarterly newsletters; and 10 percent discounts on gift-shop and mail-order purchases. 1988 family subscribers also received 1988 engraved address books.

The 1989 Friends Program offers newly designed cloissoine pins for individual and family subscriptions, and small card calculators for family subscriptions.

During the 1988-1989 season, the board launched a new fund-raising program titled the Annual Sustaining Membership Team. The program provides prominent public recognition for companies and organizations donating money to the NBHF/M. Six founders (including WIBC), two benefactors, four sponsors, one associate and 11 consultants have donated $173,500 as of January 1989.

WIBC Hall of Famer Judy Soutar of Leawood, Kan., and amateur Tom Dorsey of Tulsa, Okla., won the 1989 Budweiser/ Hall of Fame Tournament title and $15,000 prize check.

The museum's board in 1988 approved a bylaws change allowing it to increase its size. The 12-member board added 13 new members August 1, 1988. The committee believes the expanded 25-member board will help enlarge and strengthen the museum's financial base.

The new members represent the following: ABC Sports; AMF Incorporated; Anheuser-Busch, Inc.; Balfour Company; Bowlers Journal; Brunswick Corporation; Century International Corporation; Columbia Industries; Ebonite International; Fair Lanes, Inc.; Murrey International; Perry-Austin International; and Pierce & Stevens Corporation.

One of the NBHF/M's most successful means of generating financial contributions is the Budweiser/Hall of Fame Tournament. Since its inception in 1982, the annual tournament has generated more than $1 million in contributions. The 1989 tournament, which held its finals May 22-25 in St. Louis, maintained the tournament's fund-raising tradition.

The committee developed a new 1989 program kit to help proprietors, and local and state association officers organize and promote local Budweiser/ Hall of Fame qualifying tournaments.

The kits, called "Adopt-A-Center," include informational materials, sample press releases, sample in-center announcements and promotional buttons. The kits are available upon request.

The committee thanked NBHF/M contributors for their generous donations and strongly encouraged associations to get involved in the local Budweiser/Hall of Fame qualifying tournaments.

National Bowling Council

The National Bowling Council reported its primary responsibilities are to promote, advertise and market the sport of bowling. By maintaining the public's awareness of the sport, the council believes it can help stop the decline in league and open-play bowling, as well as attract new members and maintain current ones.

The council announced the new "buy one game - get one free" promotion with the Campbell Soup Company ("Hungry Man") and General Foods Company ("Kool-Aid," and "Cocoa and Fruity Pebbles") will prominently promote bowling in millions of American homes.

The council estimated the promotion's television commercials alone would be seen in 128 million households each week by approximately 320 million viewers. It also calculated every household would see the commercials more than 16 times.

The special promotion will also use point-of-purchase displays, direct-mail pieces and sweepstakes offers. To reach the seniors market, the council developed a new marketing program called "Seniors on a Roll." The program does two things: 1) places articles in widely read senior publications explaining bowling's health and social benefits, and 2) places bowling spokespeople on television talk shows to reinforce these messages.

During the 1988-1989 season, the council also began conducting a direct-mail pilot program in 12 markets. The program mails personalized letters to seniors encouraging them to bowl and lists bowling centers located near their homes. If the pilot program is successful, the council will distribute the ideas and materials to proprietors so they can implement the direct-mail program in their immediate areas.

The council is also planning to reach seniors through the 1990 AARP National Convention in Orlando, Fla. Similar to the 1989 convention, the council will operate a booth to distribute flyers and handouts, and a stub lane to demonstrate bowling. NBC is also trying to have AARP include bowling in its Purchase Privilege Program.

The council reported its many senior programs are hitting their targeted audience because bowling's senior league segment was the only adult segment to show growth during the past year.

The council's independent committee, the Limited Distance Dressing Committee, made several findings during the 1988-1989 season. The committee concluded Limited Distance Dressing (LDD) had not corrected the bowler retention problem, and has increased scores. The committee also concluded the expansion of increased scoring is a potential problem.

The committee, under the direction of a project manager, compared the scoring potentials of the deferred amendment (WIBC Proposed Amendment No. 41), the current LDD pattern and the application of measurable oil on the "outsides." The committee concluded the first and third patterns possessed similar scoring trends, which were significantly lower than the second (LDD). The committee then recommended the deferred amendment be rejected because the pattern did not demonstrate enough affect on scoring potential to warrant its adoption.

BVL Fund Serving Hospitalized Veterans

The committee reported the BVL Fund, for its fourth consecutive year, raised more than $1 million in support for U.S. hospitalized veterans. The 1987-1988 total was $1,104,995.82.

Orange County, Calif., secured the No. 1 position on the BVL Association Honor Roll by contributing the largest annual amount ($26,125). The committee noted Orange County, Calif., also made the list for the past four years in either the No. 1 or No. 2 positions.

The committee also recognized California, which was the largest state contributor ($278,170.31), and Preston County, W.Va., which was the largest contributor per member ($20 per member).

The BVL will spend its funds in the following areas: entertainment events, celebrity visits, grants, television purchases, award programs and Veterans Administration/BVL Tournaments.

During the 1988-1989 season the BVL Fund:

- Co-sponsored 150 entertainment shows, such as the Katie Brooks Show, at VA Hospitals across the country.
- Arranged 28 celebrity visits by WIBC Hall of Famer Helen Duval, National BVL Honorary Chairman. Duval visited VA Medical Centers, discussed the BVL fund and conducted bowling clinics.
- Distributed $178,600 in baseline funds and $153,393 as recreational grants, and committed approximately $250,000 for the repair and replacement of bowling equipment in seven VA Medical Centers.
- Purchased 321 television sets to be used in VA Medical Centers at a cost of $109,140.
- Financed an awards program, which acknowledges outstanding financial contributors.
- Conducted a national VA Medical Center bowling tournament, in which 90 teams from across the United States participated in five divisions.

In closing, the committee warmly thanked all bowlers who contributed money or donated time and energy to the BVL Fund.

International Competition

The 1988-1989 season was an exciting year of international competition for 1988 and 1989 *TEAM USA* members. In addition to its Olympic competition, *TEAM USA* participated in six international competitions during the 1988-1989 season.

Lee Evans Tournament of the Americas

Four 1988 *TEAM USA* members and four Florida youths dominated the 26th Annual Lee Evans Tournament of the Americas in Miami, July 31-Aug. 5, 1988.

The two foursomes won 39 trophies and developed international friendships with bowlers from 20 other countries.

AMF Bowling World Cup

1988 *TEAM USA* member Linda Kelly of Huber Heights, Ohio, captured the 24th AMF Bowling World Cup title Dec. 4-11, 1988, in Guadalajara, Mexico.

Kelly is only the second American woman to win the World Cup. Lucy Giovinco of Tampa, Fla., earned the first honor in Tehran, Iran, in 1976.

1988 and 1989 *TEAM USA* member Mark Lewis of Wichita, Kan., finished sixth.

1989 *TEAM USA* female members exhibiting their FIQ medals. Clockwise from top: Patty Ann, Lynda Norry, Therese Abair, Linda Graham, Maureen Webb, and Debbie McMulien.

Team Canada Exhibition Match

In their first appearance, the 1989 *TEAM USA* women swept their exhibition match with Team Canada in Fargo, N.D., March 3-5, 1989.

The women's team, with first-alternate Judy Gurney of Omaha, Neb., filling in for Patty Ann of Bloomington, Ill., won the five-player team, trios, doubles and singles events.

The 1989 *TEAM USA* men did not fare as well. Brad Briggs of West Palm Beach, Fla., was the only U.S. men's medal winner with his 878 first-place finish in the four-game singles event.

FIQ American Zone Championships

The 1989 *TEAM USA* women collected 24 medals and established 13 American Zone records at the 10th Federation Internationale des Quilleurs (FIQ) American Zone Championships in Wichita, Kan., May 27-June 3, 1989.

The six-woman American squad nearly accomplished a sweep, by winning gold medals in five of the competition's six events: singles, trios, team, individual and all events. *TEAM USA* members also swept the masters and all events competitions, and earned at least two medals in each non-team event.

Mexico's Sara Alonso and Edda Piccini interrupted the U.S. women's sweep effort by winning a gold medal in the doubles event.

The 1989 *TEAM USA* men collected three gold medals, three silver medals and one bronze medal.

World Games

1989 *TEAM USA* members Patty Ann of Bloomington, Ill., and Darold Meisel of Muskego, Wis., finished third and second in the 1989 World Games held July 25-27 in Karlsruhe, West Germany.

Ann conquered tough conditions and advanced to the stepladder match play finals in the No. 3 position. After tying a one-game match with Jane Amlinger of Canada, Ann lost 38-40 in a two-frame roll off. Amlinger moved on to defeat Arianne Cerdena of the Philippines in a two-game match, 364-352, to win the title and gold medal.

In the finals, Meisel defeated Hendro Pratono of Indonesia, 198-164, to advance to the championship match. Yingh Chieh Ma of Tapei defeated Meisel, 424-380, in a two-game match to win the title and gold medal.

Young American Bowling Alliance

The Young American Bowling Alliance is on the move and experiencing a growth in membership.

YABA's 1987-1988 membership was 665,705 — an increase of 19,502 members from 1986-1987. The committee attributed the increase to: the 1988 founding of a pee wee division (13,427 members), excellent coaching, industry promotional campaigning, and YABA implementing activities and services.

YABA announced the revitalizing and updating of its collegiate division program. It will offer two different collegiate programs for the 1989-1990 bowling season: one for recreational bowlers and one for intercollegiate bowlers. Only bowlers participating in intercollegiate program will be eligible to compete in the National Collegiate Bowling Championships.

YABA conducted its 1988 National Junior Bowling Championships July 13-17 in St. Louis. Two hundred thirty-six youths competed in four divisions for $44,900 in scholarships. During the five-day event, three bowlers set two new tournament records. Ron Kator of Des Plaines, Ill., and Randy Johnson of Coos Bay, Ore., rolled 300 games to share a new high-game record; and Rob Causer of Rochester, N.Y., rolled a 810 three-game series for a new high-series record.

The committee reported more than 3,300 YABA members participated in the 1988 *TEAM USA* Bowling Tournament qualifiers.

One YABA member, Lynda Norry of Concord, Calif., finished fifth in the *TEAM USA* Bowling Tournament National Finals to make the 1989 *TEAM USA*. Norry, a collegiate bowler for San Jose State University, is the first YABA member to make *TEAM USA*.

According to the committee, the In-School Bowling Program has made important inroads at the elementary school level. Several developments were made during the 1988-1989 year: a Learning Fun Activity Book and bookmarks were developed; the "Learn to Bowl" video was nationally recognized, three bowling kits in different price ranges were developed; a resource manual was accepted; and several presentations were made to educators at national educational seminars.

YABA has developed two new brochures to help association members and proprietors introduce and sell the In-School Bowling Program to schools. The brochures are titled "How You Can Make It Happen" and "Did You Know?".

Senior

WIBC is responsive to the special needs of its changing and diverse membership.

Several years ago, seniors requested WIBC tailor its leagues and tournaments to suit the seniors' special needs. WIBC appointed a committee, the Senior Committee, to help enact its members' requests. WIBC, with the committee's assistance, developed special senior leagues and tournaments.

A senior bowler making her approach.

Over the years, the leagues and tournaments, such as the WIBC National Senior Championships, have increased in size and popularity.

According to the committee, active seniors still asked WIBC to develop shorter and more flexible league schedules. WIBC and its Senior Committee acted once again. After some study and discussion, WIBC drafted guidelines for senior organizations or clubs to develop their own specially tailored leagues. WIBC and its Senior Committee stated they would continue to service these special senior leagues, as long as they continued to meet WIBC's minimum guidelines.

The committee reported this new senior program is currently operating, and it encouraged delegates to implement the program in their association areas.

The committee stated the 1988-1989 period experienced a marked size increase in both senior membership and leagues. The Senior Committee and National Bowling Council strive to continue this positive trend by aggressively advertising and promoting bowling to seniors.

WIBC, upon the committee's request, recently approved the rewording of select sections in Chapter VIII of the WIBC Bylaws. The rewording enables leagues to change the age distributions of the four senior classes when needed. The rewording, however, requires the changes to be made before the season begins. The new rewording will be enacted August 1, 1989.

One hundred fifty-one senior women participated in the 1988 WIBC National Senior Championships held May 7-8 in Jacksonville, Fla.

The women, who came from 48 U.S. states and three Canadian provinces, competed in four age-based divisions for the National Senior Champion title.

By virtue of the highest match-play score, Trudy Todd of Denver won both the Division A (70 years and over) and National Senior Championships titles. The remaining division winners were: Gladys White of Newark, N.J., Division B (65-69 years); Betty Crane of Chicago, Division C (60 to 64; and Chris Cornes of Joppa, Md., Division D (55 to 59 years).

(The 1989 WIBC National Senior Championships is discussed in the Tournament Competition section, which begins on p. 9.)

WIBC Annual Meeting Condensed Minutes

Monday Morning

Call to Order
The 72nd Annual Meeting of the Women's International Bowling Congress convened at 9 a.m., Monday, May 1, 1989, at the Bismarck Civic Center, Bismarck, N.D. President Gladys M. Banker presiding.
Invocation, Pledges and Anthems
Reverend Daniel J. Wissmann, Good Shepherd Lutheran Church pastor, Bismarck, N.D., gave the invocation. Meeting participants recited the Pledge of Allegiance, and sang the national anthems of Canada and the United States.
Delegates' Party Committee
President Banker introduced Shirlee Kutzner, WIBC director and Delegates' Party chairman. Kutzner commented on the previous day's event and acknowledged the many people who were responsible for making the afternoon a big success.
Thank You to Delegates
President Banker asked all delegates attending their first Annual Meeting to stand for recognition. She then addressed all the delegates.
"We are delighted to see so many people willing to volunteer their time and efforts in the administrative side of the sport. There is much talk today we don't have the volunteers who are willing to devote their time to organizations. My observations have been bowling continues to be blessed with a great many who do volunteer and who are very dedicated to WIBC, and their local and state bowling associations. We certainly thank you for your continued interest."
Welcome from Hosting State and Cities
President Banker presented Lloyd Omdahl, North Dakota lieutenant governor. Omdahl welcomed the delegates to North Dakota. President Banker then introduced the mayor of Bismarck, N.D., Marlan Haakenson, and the mayor of Mandan, N.D., Robert Dykshoorn. Haakenson said: "We are really pleased you chose to come to Bismarck-Mandan this year. We are grateful. We applaud you. Enjoy. Come back and see us again sometime, and have a good one."
Dykshoorn said: "From all the citizens of Mandan, I bring you a hearty welcome and a big howdy."
Annual Meeting Rules
Joyce Deitch of Las Vegas, Nev., WIBC first vice president, read the meeting rules for the 72nd Annual Meeting as approved by the WIBC Board of Directors. They were accepted as read.
Welcome From Local WBA
President Banker introduced Eunice Schneider, local tournament coordinator and Bismarck-Mandan WBA president. Schneider welcomed everyone, wished them luck in their bowling and hoped they would enjoy themselves.
President Banker recognized and thanked other Bismarck-Mandan WBA committee members. She then asked the remaining women of the Bismarck-Mandan WBA to stand for recognition.
Welcome From State WBA
President Banker introduced Jo Smith of Devils Lake, N.D., WIBC director and North Dakota WBA president. Smith welcomed the delegates to North Dakota. She said North Dakota WBA's philosophy toward the WIBC Championship Tournament and Annual Meeting was: "The service we render to others, is the rent we pay for the space we occupy on this earth." Smith then asked the North Dakota WBA Board of Directors to stand for recognition.
WIBC Board of Directors Introductions
President Banker introduced the WIBC Board of Directors; Flora Mitchell, executive secretary-treasurer; and Nancy Tatum, assistant secretary-treasurer.
American Bowling Congress
Gene Adams, American Bowling Congress president, addressed the delegation.
Adams said "ABC is most appreciative of WIBC's commitment to working together at the national and local levels." He continued, "ABC and WIBC provide wonderful services to their bowlers. Unfortunately, many of them are not always looked upon as services, but are taken for granted. It is our responsibility to present these programs in a positive light to show our members we care about them and that their annual dues are well repaid.
It is time for ABC and WIBC to stress the positives and not take a back seat to other organizations. The services you provide are excellent. We (ABC) plan to continue improving our services, and I know WIBC is planning to do likewise."
National Bowling Council
President Banker introduced Tom Parker of Richmond, Va., National Bowling Council president and AMF vice president.
"1989 is shaping up to be a strong year for both America and bowling," said Parker.
"Already, the National Bowling Council (NBC) is well on its way with new programs for bowlers, and aggressive marketing, public relations and education campaigns to help set new directions for our sport."
Parker showed a video presentation highlighting several NBC activities. After its completion, Joyce Deitch, WIBC vice president and WIBC NBC Committee member, continued the report.
Deitch outlined a new NBC campaign to keep new league bowlers from dropping out. The campaign, which focuses on conducting effective league organizational meetings, incorporates a league meeting video, manual and brochure.Deitch presented the video to the delegates, and later announced every local women's association, men's association and bowling center would receive the manual and a sample supply of brochures. She said WIBC would also lend the video to local and state associations upon request. Deitch then introduced WIBC second vice president Elaine Hagin of Castro Valley, Calif. Hagin is also the WIBC NBC Committee chairman.
Hagin announced NBC's plans for developing a ladies' promotion program to generate more WIBC members and daytime bowling activities. She said marketing techniques such as, bowling sales kits, mass-media publicity campaigns and other cooperative promotion programs may be used. The program is expected to begin fall 1989.
Young American Bowling Alliance
President Banker introduced Ed Clarkson of Greendale, Wis., Young American Bowling Alliance executive director. Clarkson reported a surge in youth bowling membership. He cited WIBC administrative assistance, Super Bowl Saturday Promotion, YABA activities, YABA awards, YABA educational programs and YABA management leadership programs as possible reasons for the increase.
Clarkson introduced YABA staff, and thanked Post Cereals and the Coca-Cola Company for their sponsorship assistance.
President Banker then introduced active YABA representatives from the area and thanked them for their efforts.
Alberta E. Crowe Star of Tomorrow Award
President Banker presented the 29th Alberta E. Crowe Star of Tomorrow Award to Stefanie Marek of Wilmington, Del.
Seventeen-year-old Marek started bowling at age six and has already acquired many credits in her young career. She won the Delaware Junior Queens Championship in 1985 and 1986, the girl's scratch championship at the 1987 National Junior Bowling Championships, finished first in the state of Delaware Team USA, and was named amateur bowler of the year for the State of Delaware during the 1987-88 season. One of the highlights of her bowling career is having been selected to represent YABA and the United States in the Youth Bowling Championships at the second Pan Am Federation Internationale des Quilleurs when it was held in Puerto Rico in 1988, at which time she won five gold medals and averaged 194.3.
Bowling Proprietors' Assoc. of America
President Banker then introduced Don Hillman of Fremont, Calif., Bowling Proprietors' Association of America president.
Hillman described how the BPAA prepares its members for the future by educating them. Proprietors receive this education by attending BPAA bowling center management conferences, seminars and conventions. The BPAA has also prepared for the future by establishing a new, full marketing department, and by appointing many new BPAA committee chairmen and members.
Hillman also applauded the California WBA for its progressive exhibit program, and WIBC people serving on NBC's Limited Distance Dressing Committee for their tireless leadership and tenacity.
President Banker introduced the local host proprietors: Jim Mellon, Midway Lanes president; Arnold Sagsveen, Capitol Lanes Plaza president; and John Sagsveen, Capitol Lanes Plaza treasurer. President Banker then recognized other bowling center representatives from the area.
National Bowling Hall of Fame and Museum
President Banker introduced Gerald Baltz of St. Louis, Mo., National Bowling Hall of Fame and Museum executive director.
Baltz addressed the delegation. He reported the donated interest from the Bismarck-Mandan Convention and Visitors Bureau's advance payments netted the NBHFM more than $11,000. He thanked the CVB for its generosity. He also thanked the delegates for the other generous donations from their associations and members.
He closed his address with three wishes for the delegation. "First, may you bowl well; second, may you make many friendships through bowling; and third, may you soon have the chance to visit your museum in St. Louis."
Hall of Fame Awards
President Banker opened the WIBC Hall of Fame Ceremonies by announcing four women would be inducted into the Hall of Fame. The four inductions increased the total number of Hall of Fame members to 97. She began the inductions with WIBC's first superior performance inductee, Mary Lou Graham of Chiefland, Fla.
Graham began her career in 1948. Among her many titles and finishes, she has won the WIBC doubles event title in 1968; earned a silver medal at the Federation Internationale des Quilleurs World Championships in 1975; won all events, doubles, mixed foursomes and mixed doubles at the Lee Evans Tournament of the Americas in 1967; won all events, singles, doubles, mixed foursomes and mixed doubles at the same tournament in 1974; won seven team titles at Florida State WBA tournaments; and won 14 crowns at Miami WBA tournaments.
President Banker continued the inductions with WIBC's second superior performance inductee, Patty Costello of Scranton, Penn. Costello, a professional bowler for 19 years, has won 25 professional titles. Among her many accomplishments, she holds two WIBC team event titles (1970 and 1972), two listings as the Bowling Writers Association of America's Woman Bowler of the Year (1972 and 1976), two namings to the Woman Bowler All American Team (1976 and 1977) and eight inclusions to the Bowlers Journal All American Team. Also in 1972 and 1976, Costello won three consecutive tournament titles on the professional tour -- a feat still to be matched.
President Banker continued the inductions with WIBC's third and final superior performance inductee, Lorrie Nichols of Algonquin, Ill. Nichols, who began bowling at age 7, leads three WIBC tournament average categories: the five and 10-year average categories, and the 15-to-19 year average category. Her lifetime tournament average is 195.58.
Among her many bowling accomplishments, Nichols has won 13 professional titles, one WIBC all events title (1971), one gold medal in the Federation Internationale des Quilleurs World Championships (1971), and the first amateur U.S. Open title (1972). She has also earned 11 local and state championship titles.
President Banker completed the inductions with WIBC's single meritorious service inductee, Helen Baker, WIBC immediate past-president.
Baker began bowling in 1955 when her daughter, Carolyn Hecker, invited her to go bowling. She liked the sport and soon attended her first association meeting. In 1959, she first served as an Annual Meeting delegate. In 1965, she was elected to the WIBC Board of Directors. During her 16 years on the board prior to becoming president, she served on nearly every existing committee. She has also served 21 years on the Florida WBA Board of Directors, 17 years with the Greater Miami WBA, and many years on the Greater Miami and Florida Bowling Councils. In April 1981, Baker was elected WIBC president. She served for seven years as president and participated on nearly all WIBC committees.
"It isn't often someone gets such a marvelous reward, such as being elected to the Hall of Fame, for doing something that you have enjoyed so much," said Baker. "I thank all of you so very, very much for enriching my life with your friendship through bowling, and for bestowing this award on me."

1988 Minutes Action

Joyce Deitch, WIBC vice president, moved to dispense with the reading of the 1988 annual meeting minutes, which the WIBC Board of Directors reviewed and approved November 7, 1988, and distributed to all local and state associations. Elaine Hagin, WIBC vice president, seconded the motion and it carried.

Report of the President

(Summarized elsewhere in the Annual Report) President Banker welcomed the delegates to Bismarck-Mandan, N.D.

She stated Bismarck-Mandan was awarded the annual convention and tournament in 1985 by an overwhelming delegate vote. At that time, the area met the host-city requirements for hotel rooms, convention-center seats and airline carriers. Changing lifestyles and economic conditions, however, created situations that caused difficult problems for delegates as they made plans to attend the 72nd Annual Meeting.

To ensure against similar problems in the future, she stated, WIBC has increased some inviting-city requirements.

She then announced the formation of a national membership recruitment program spearheaded by six area recruitment coordinators or ARCs. The program, which was being implemented in six association pilot areas, was designed to increase bowling membership and participation. President Banker announced the program is to be fully implemented during the 1989-1990 year.

She also thanked the delegates for their support of *TEAM USA*. She encouraged them to arrange qualifying opportunities during their local and state tournaments, so all WIBC members have an opportunity to become *TEAM USA* members.

President Banker recalled how the 1988 *TEAM USA* made history as two of its members (Debbie McMullen of Denver and Mark Lewis of Wichita, Kan.) represented the United States in bowling's Olympic debut as an exhibition sport in Seoul, South Korea.

She stated WIBC must continue its efforts to have bowling recognized as a medal Olympic sport. She then presented a short film, courtesy of *TEAM USA*'s corporate sponsor, the Brunswick Corporation., of the Olympic Bowling Exhibition.

President Banker ended her address expressing gratitude to those people who have helped her as the new WIBC president.

Report of the Executive Secretary

(Summarized elsewhere in the Annual Report.) Flora E. Mitchell, WIBC executive secretary-treasurer, began her address with thanks to those people who understood WIBC's difficult positions and tasks in several situations -- particularly its financial ones. She said the most difficult task WIBC faced was to reduce costs by discontinuing or curbing its services. The most talked-about cut was the eliminated distribution of the WIBC Playing Rules Book. (This cut was discussed further in Report of the Executive Treasurer.)

Mitchell briefly discussed the Local Certification and Lane Dressing Inspection Committee, membership report, membership cards, new WIBC Exhibit Kit theme, league supplies, Championship Tournament practice ball policy, Championship Tournament staggered entry mailing and distribution changes with the housing form.

Report of the Executive Treasurer

(Summarized elsewhere in the Annual Report.) Flora E. Mitchell, executive secretary-treasurer, reported certified public accountants Arthur Young & Company conducted the annual WIBC audit at the close of the fiscal year, July 31, 1988.

Mitchell explained the various tables, exhibits and details included in her financial report. She emphasized "a great deal of effort has gone into reducing costs. Most of the cost cuts announced after the 1988 annual meeting did not have an impact on the 1987-88 season, since all the season's programs had already been implemented or committed. However, there was an immediate urgency to look at every expenditure and weigh its value very carefully."

She also explained Exhibit D, which illustrated a cash flow statement. Mitchell stated "it is quite obvious there (Exhibit D) that the projected deficit will eat up the cash funds that were available at the beginning of this current season."

Advisory and Planning Committee

Hazel McLeary of Victoria, B.C., Canada, WIBC seventh vice president and Advisory and Planning Committee chairman, addressed the delegates. McLeary highlighted the various self-supporting services WIBC provides its members, long-range programs delayed because of financial difficulties and proposed projects to be implemented if funding was made available.

Said Deitch, "the joint ABC/WIBC committee has worked well together and has complemented one another as far as our individual talents are concerned."

She said the committee is dedicated to maintaining the standards of the bowling environment. Therefore, the committee must evaluate the "technological improvements bowling manufacturers offer, so the improvements do not diminish bowling's element of skill."

She reported the committee's efforts in the last year have primarily focused on bowling pins and balls. Next year, the committee intends "to study all elements of the system of bowling and how they affect one another."

Report of Independent Public Accountants

The Board of Directors
Women's International Bowling Congress, Inc.

We have audited the accompanying balance sheets of the Women's International Bowling Congress, Inc. at July 31, 1989 and 1988, and the related statements of revenue, expenses, and fund balance, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly the financial position of Women's International Bowling Congress, Inc. at July 31, 1989 and 1988, and the results of operations and cash flows for the years then ended in conformity with generally accepted accounting principles.
